Meeting Summary

Meeting Materials

All materials for the Economic Activities Technical Working Group (EA TWG) will be available here: http://www.akclimatechange.us/Economic_Activities.cfm. For this meeting, the following materials were posted:

- Meeting Notice and Agenda
- Meeting #2 Summary
- Draft EA Catalog of State Actions

The following notes summarize the discussion highlights and identified action items for TWG members.

Meeting #2 Summary Review and Approval

Ira Feldman, CCS Facilitator, reviewed the meeting summary from Meeting #2, and the TWG approved it.

Discuss the Catalog of State Adaptation Activities and Policies

Nancy Tosta, CCS Facilitator, led the TWG members in discussing the existing EA TWG catalog of options, discussion the options where clarification is necessary and where aggregation of the options is possible.

Action Item: The CCS Facilitators will continue revising the catalog for clarification and aggregation. At the same time, if any TWG members have additional comments for places where clarification is needed or options could be consolidated, please send those comments in by August 12. A revised catalog will be available for discussion on the next call.

Public Input

There were no public comments.

The next meeting (#4) of the EA TWG will be Thursday, August 28 from 9am to 11am (Alaska Time). Members of the public can call 1-800-704-9804, passcode: 538628. This next call will focus on the criteria for prioritizing options and beginning to ballot on these options.

Following this meeting, Meeting #4 was rescheduled to a yet-to-be-determined date.
