Purpose of March 3rd Meeting is to review components of the Recommendation Report

NOTE: THERE IS NO PUBLIC COMMENT PERIOD SCHEDULED FOR THIS MEETING
If time allows, there will be a short window for comments at the end of each hour.

Background:

Purpose of IAWG:

Provide recommendations on state policy actions to the Climate Change Sub-Cabinet.

Mission of IAWG:

To provide, by creating a written report, recommendations that can be implemented immediately, defined as in the next 12-18 months. These recommended actions are to address known threats to communities caused by coastal erosion, thawing permafrost, flooding, and fires.

Meeting Groundrules / Structure for Document Reviews:

~ 30 mins. - State Agency Representatives will lead the document reviews. The first 30 minutes will be used to review a document, clarify and ask questions of each other, and if useful to request information from IAWG Members and Community Representatives.

~ 20 mins. – Other IAWG members will provide comments / ask questions. Particular comments that will be helpful are those that address resources or programs available at various federal agencies that might be aligned to assist with the goal or objective of a particular recommendation/project.
