

Agenda for RNWG Work Meeting on February 26 and 27, 2009

Meeting Location: DEC Environmental Health Lab, 5251 Hinkle Road (This is at the end of Boniface Parkway, near Tudor. When you get to the end of the Boniface Parkway, you can go left into the DOT area or turn right and go past a construction area to the parking lot of the Health Lab. Our meeting room is on the first floor, just inside the door on the left. You may have to push a buzzer to get into the building if someone is not sitting at the front desk. The building's Sunshine Club sells soda and snacks for 50 cents. We have access to a coffee pot.)
