DIRECTIONS TO THE CLIMATE CHANGE SUB-CABINET MEETING

Take University Drive to Tanana Loop
At the roundabout, Tanana Loop is the street continuing diagonally up the hill.

Continue up the hill until it levels out where you will intersect with Koyukuk Drive coming from your right side (east)

Parking is available in lots 9B & 9E.

Lot 9 B is located to your right at the intersection of Koyukuk Drive.

Lot 9E is reached by continuing on Tanana loop towards your left around the large building.

If you park in 9 B the entrance to the Elvey Building (Globe Room) is on Koyukuk Drive

If you park in 9 E enter through the West Ridge Research building which will take you to the Globe Room in the Elvey Building.
